

**God's Justice Comes to Earth**

(Luke 18:7-8).

**-Deliverance to those who respond to His love and offer of redemption.** This is revival in the church, which spills over into the earth. **God makes wrong things right.**

•**Healing** – God's justice on sickness and disease that was judged on Christ on the cross (Isaiah 53:3-5; 1 Pet. 2:24).

•**Revival** – judgment on the kingdom of darkness and sin is seen when thousands of new converts come to Jesus in a city or region.

•**Unity** – God's judgment on Satan and his divisive ways in the body of Christ.

•**Holiness** - God's judgment on sin and bondage comes when people experience deliverance from habits and addictions.

**Foundational Principles of Intercessory Worship**

**Intimacy with God/The Beauty of the Lord.** "One thing I have desired of the Lord, that will I seek: all the days of my life, to behold the beauty of the Lord..." (Psalm 27:4).

**-David's preoccupation was not war or carrying out "kingly" ministry, but infatuation with knowing the Lord and gazing on His beauty.**

**-The beauty of the Lord was central in His establishing the presence of the Lord on Zion.**

**-This includes the revelation that God has affections and a burning desire for weak, immature humans.**

**-This combination of desiring to know God's beauty and wanting to experience His emotions for humans are two main essentials for maintaining effective, enjoyable prayer.**

**Foundational Principles of Intercessory Worship**

**-The primary focus must be on ministering to the Lord and not binding the devil** (unless directed by the Holy Spirit) .

**-The strength of this end-time prayer movement is anchored in having a new picture of God's heart for us.**

**-Our spiritual identity is found in first being lovers of God before being workers for God.**

**Foundational Principles of Intercessory  
Worship**

**Combining musical worship and intercessory prayer**  
(Rev. 5:8).

*–Worship is agreement with who God is, and  
intercession is agreement with what God promises  
to do.*

*–All effective spiritual warfare is rooted in  
agreement with God and then one another (Psalm  
133:1-3).*

**Singing and Praying in the Spirit** (1 Cor. 14:14-15).

*–We sing with our spirit in tongues, releasing  
mysteries the Holy Spirit will unveil in the right  
timing.*

*–We sing with our understanding from the scripture,  
releasing a prophetic anointing and making the  
word of God come alive and become an effective  
weapon against the powers of darkness.*

**Training and cultivating anointed prophetic musicians,  
singers and intercessors.**

*–The flow of the Spirit is not automatic, but takes  
discipline and training just like anything else.*

*–It comes through focused, intentional training and  
impartation by being around other, mature  
prophetic musicians and singers.*

*–Musicians, vocalists and intercessors must learn  
to cultivate a prophetic spirit from inside  
themselves.*

Spiritual warfare should always remain Christ-centered.

**Foundational Principles of Intercessory  
Worship**

We must have an absolute conviction that revival is already coming.

- Faith is an absolute for breakthrough to come.
- We must understand that to see revival ("speedy justice") come, we must be sold out to the thought that 24/7 prayer is not an option.

**Foundational Principles of Intercessory  
Worship**

An understanding that structure and leadership is a necessity to facilitating 24/7, enjoyable prayer.

- Intercessory worship is established to give a structure to open and maintain the highest level of Holy Spirit flow that can be attained for a 24/7 schedule.
- A good and effective structure helps the body of Christ cooperate better with the flow of the Holy Spirit as it aids the entire team and room in boldness, faith and unity.
