

July 2015 – Prophetic Promises Compilation for Prayer and Proclamation

July 11, 2015:

- The Lord is saying **Isaiah 44:3** for the East TN/Knoxville area.
 - **Isaiah 44:1-5**: “*Yet hear now, O Jacob My servant, and Israel whom I have chosen.*’ Thus says the LORD who made you and formed you from the womb, who will help you: *‘Fear not, O Jacob My servant; and you, Jeshurun, whom I have chosen. For I will pour water on him who is thirsty, and floods on the dry ground; I will pour My Spirit on your descendants, and My blessing on your offspring; They will spring up among the grass like willows by the watercourses.’* One will say, *‘I am the LORD’S’*; another will call himself by the name of Jacob; another will write with his hand, *‘The LORD’S,’* and name himself by the name of Israel.”
 - **Verse 3** is what the Lord gave Mike McClung as a promise of pouring out **ten-fold** of what happened on the Isle of Lewis during the Hebridean Awakening of 1949-52 upon returning from there in 2002 after having an encounter with the angel of revival that moved on those islands. Randy did not know this when he released this word....

February 2015 – Terry Bennett:

- Terry was visited by the angel Gabriel in 2001 and again later, giving him a prophetic overview of what would be coming to the U.S. through 2028.
- In February of this year, the Lord told Terry “***the south will save the Republic.***”

October 2014 – Randy Demain:

- For the state of TN – “***the hub of eight is the gate of apostolic revival***”.
- The (spirit) of the ***Tabernacle of David will be rebuilt in TN and stretch over the eight adjoining states surrounding it.***
 - Many in this area have been praying and working to see this established for the past 20 years....

July 2010 – Chuck Pierce meetings in Chattanooga:

- “The state of TN is entering a new dimension of covenant that God, Himself is establishing.”
 - This is based on what happened on March 24, 2003 when the TN state legislature passed a resolution recognizing, affirming and upholding the nation of Israel’s right to exist. More later....
 - Almost two years ago, the Lord told Mike McClung that the remnant of the body of Christ would be going to “Hebron” in the next prophetic step, as the past “Saulish” system in the church was passing away. Hebron means “covenant alliance”, and it’s the place the Lord supernaturally drew the splintered nation of Israel together around King David (the Lord Jesus in type), to establish the worship tabernacle on Zion and His government in the earth.
- “Covenant with God and man causes everything to shift into right order.”

- Chuck was given a vision of a map of the U.S., and the state of TN was “lifted up above the conformity of the land.”
 - “He showed me TN. It was the only state lifted up above the conformity of the land. In other words, TN was not a state that would be controlled by the land laws (*the laws of fallen men and the demons that control them*), but by the laws of heaven... It was the only state that was being lifted up and set apart for the future to be a prototype, a voice, sort of like the priestly tribe, the tribe of Levi set apart” (TN is a place to establish the Melchizedek/New Testament priesthood that the tabernacle of David established in the earth – the offices of priest and king being combined – fulfilled in the Lord Jesus Christ). “It was as if God was bringing this state up... TN was pulled up and set apart. Do you know what that means? God has chosen this state and He is about to do something in you... God is drawing you up, pulling you out of old structures, and you are not going to be the same that you have been in the past.”
 - “God says,” ‘A Joseph’s mantle is coming on this state of TN... From this state there will be voices that rally, stand in a demonstration type of form to change this nation.’ The Good Ole Boys are over in this state! God says, ‘This state is coming up above the structures.’”
 - Because TN “had been lifted up out of the nation... it was above the structures of the land.”
 - “TN will enter into understanding the warfare of the heavenlies (worship, prayer, prophetic decree) as opposed to... earthly structural warfare.”
 - “If God has lifted you up, that means the (demonic) thrones here He has already uprooted... if He has pulled TN up, He has uprooted ***thrones of iniquity***, so all you have to do now is go to all the places where thrones of iniquity have formed, and worship, and they just fall over, topple and disintegrate.”
 - This was because of the covenant that was established between TN and Israel in 2003 AND the repentance that came in April of 2014 with the state legislature passing HJR 553, the official recognition and apology of TN’s part in the Trail of Tears and the Indian Removal Act of 1838. Broken covenants give legal authority (iniquitous thrones) to the enemy to squat and operate in the land.
 - Chuck said the Lord showed him all the ground work had been laid to see revival and transformation come to the state except there had to be a “welcoming of the Holy Spirit to be free to move in the area and the state.”
 - ***People must repent and shift their hearts and lives in WORSHIP and ACTION to YIELD to the Spirit and come out of the existing religious structures.***
- “The glory of God has to enter and area that is blocked to the glory of God. And the glory of God has to enter that structure... It is possible, if the glory is welcomed into the structure that the structure itself transforms. It does not happen often. ***People usually have to come out of the structure to worship.*** We might as well be big boys and girls and talk about it the way it really is. And that’s what gets confusing in the unity movement because what will happen is when you go so some “kingdom” meetings (corporate), they

disallow this, this, this and this, and then you are back to Phariseeism...You can either get on the defensive or remain on the offensive and keep your heart right...and move forward...Bless people where they are and choose not to be with them unless God tells you otherwise.”

- ***“You have to understand in your state what is producing the atmosphere of worship.*** That is really key as you advance in the state. You must understand your atmosphere of worship that controls your territory because that invades you and it invades every worship meeting that you have. And that is a greater war than many of the wars that we get in trying to reconcile the land.”
- **Summary:**
 - “(God) is lifting TN up above the structures, so if you will war from that position, and worship from that position, you will see great impact in every structure underneath. Let me reiterate this because I don’t want you to be confused in it. ***God is not telling you to run into the structures here and do anything.*** He is telling you, ‘Come on up and worship. Then every structure of your society in what is known as the state of TN will begin to shift.’”
 - “You are up in the heavenlies (this is the first state I have said that to), above the clouds. That is going to be your thing. What God is saying to you is, ‘Gain kingdom strength and momentum now!’”

Chuck Pierce and Dutch Sheets – April 2003:

- Because TN formally blessed and aligned with Israel, governmental authority to bring down the Jezebel spirit is being released to TN.
- The Melchizedek (New Covenant) priesthood would arise here (that over which the great High Priest, the Lord Jesus heads from Zion – the tabernacle of David), with a new sound of worship that would affect the atmosphere over the whole nation and bring a transfer of wealth to the righteous.
- Isaiah 22:22 (the key of David – authority from the presence established in the tabernacle of David) would operate from TN.
- TN becomes a true COVENANT state that will destroy demonic thrones.
 - March 2003 – Resolution with Israel.
 - April 2014 – Resolution of Apology to Native Peoples.
