

### Intercessors Needed!

1 Sam. 12:23; Ezek. 22:30

- True intercession is burden bearing, in faith, until the will of God is accomplished.
- True intercession flows from a life surrendered to God.
- It is a life that responds to the Spirit, and denies SELF.

### Intercessors Needed!

If the Lord has given us His authority, then why is so little happening?

- Why is the federal government split and one party is allowed to hold up the entire country's well being?
- Why does the Supreme Court have a knife-edge majority, and we still don't know how they'll decide?
- Why does it seem we are surrounded by ever-increasing problems, evil, perversion, totalitarian control, etc?
- The Lord NEVER intended for the ekklesia to abdicate our place of authority by trusting in fallen men and women, and in easily manipulated crowds and systems.

**Intercessors Needed!**

**Matt. 16:15-19**

- We have been put here to initiate, establish and enforce the will of the rightful King of this world and its systems.
- We are left here as His ambassadors, His governmental body, and His gateway of love, power and authority.
- Scripturally, all of this is exercised and extended through prayer, proclamation and obedience.
- Humility and obedience, out of love and loyalty, empower the works, and without which, little or nothing is accomplished.

**Intercessors Needed!**

**Matt. 16:15-19**

- True intercession overrides everything in the physical.
- There will be fasting.
- There will be sleeplessness.
- There will be counterattack.
- There will be misunderstanding, condescension and vilification.

**Intercessors Needed!**

**Matt. 16:15-19**

- Prayer is the ENGINE of all true activity of the Spirit, on the battleship called "church".
- Evangelism, revival, mercy ministry, civic involvement, ad infinitum...everything!
- Prayer is the infrastructure of power, provision, safety, health, commerce, play, etc, without which all the other systems would shut down, or work wrong.

**Intercessors Needed!**

**Matt. 16:15-19**

- The earth and all its systems, including humans, were never designed to operate, live and function, being fueled and controlled by the enemy.*
- Sin leads to separation, breakdown, degeneracy, devolution and destruction.*
- The created order, itself, will rebel against it.*

**Intercessors Needed!**

**Matt. 16:15-19**

- When the organized church loses its centrality in prayer and intercession, we lose our Source of health, life and influence.*
- The Lord responds only to the humble, surrendered, faithful prayer and declaration of His word and will.*
- He does not respond to PowerPoint, laser shows, crazy antics, etc – He responds to yielded hearts and lives that have joined Him in His lifestyle of intercession (Heb. 7:25).*
